**A wealth of castles, country retreats and estates**

There are about 700 castles, country retreats and estates in Holland. To this day, these are all kept secret. Three typically Dutch historic houses with their splendid gardens were newly built by 17th and 18th-century merchants and aristocrats. They expanded from the same wealth as the world famous paintings that are showcased at the Rijksmuseum in Amsterdam and the Mauritshuis in The Hague. What could be better than exploring these magnificent monuments on bike? Feel the wind in your hair and enjoy an enchanting day in the countryside.
